

A few tennis programs on offer this summer:

Adult Clinics: Our 1.5 hour clinics are tailored towards different levels of play. They typically include technical instruction, relevant game-type drilling & scenarios, and fun energetic finishes. Sign up for one of our level-specific clinics listed below or create your own private clinic group with 3 or 4 players of a similar ability.

Drop In Workouts: Fast paced drills that combine skills, fitness, fun and competitive situational game play. Designed for all levels of play and a great way to meet new people!

Cardio Tennis: Heart-pounding fitness and fun for players of all levels. Tennis is a movement sport and getting into position is 80% of the task at hand. Let's help each other get fit and move more efficiently on court.

Golden Goblet: A BTC Favorite! Round Robin matches scheduled for ladies singles, doubles, and mixed categories. Previously matches were on Thursday nights only but now PLAYERS WILL ARRANGE THEIR OWN TIMES. Players are required to complete their assigned match by the end of Sunday and are allowed to pre designate subs in their registration! Round Robin match schedule will begin the week of June 15th.

Summer Flex-Ladder: Different to a traditional ladder! Mens & ladies singles players form 3 or 4 general player levels. Players can challenge within their own level or 1 level up. Points are awarded for games won, matches won, and matches completed (won or lost). This is a great way for players to get their singles match play in.

Club Matches: Errol will work on creating Informal/friendly matches (home and away) with competitive players from other clubs. These will occur sporadically during the summer when available.

Social Club Tournaments: In addition to the Club Championships, there will be other fun social events such as a Wimbledon Wooden Racket Tournament, Handicapped Tournament, Member/Guest Round Robin, and more. Check out our Calendar of Events for further details.

Adult Mentor Program: Our juniors would learn a lot from rallying and interacting with you on court. Any adult willing to donate 30 mins of their time during the summer to hit with a junior would be much appreciated.

Evening Play: These are designated evenings to come to club and rotate play with people. We have a Ladies Night, Mens Night and Mixed Night (Lobs & Lagers) - bring your game, bring your lager! Single players welcome.

Please e-mail Errol at errol@burlingtontennis.com with any questions, comments or suggestions. He would love to hear from you!
